

LONG ISLAND COUNTS! COMPLETE THE 2020 CENSUS TODAY!

WHAT IS THE 2020 CENSUS?

Every ten years, the US government conducts the Census, which asks a few simple questions of every household across the country. This information is used to decide where and how to spend billions of federal funding dollars, and also decides how many representatives each state has in Congress.

- MORE THAN \$675 BILLION
- EACH YEAR IS DISTRIBUTED TO
- STATES BASED ON CENSUS DATA

THAT MONEY IS USED FOR:

 *Hospitals,*
 *Schools,*
 *Roads,*
 *Health Insurance,*
 *Public Programs,*
(Like WIC & SNAP)
 *Disaster Programs,*
 *so much more.*

COMPLETING THE CENSUS IS SIMPLE, SAFE, AND CAN BE DONE FROM THE COMFORT OF YOUR OWN HOME!

Your information is fully protected by law and cannot be shared with anyone.
