a) Income Guidelines

Condominium units will be available to income eligible households with incomes that do not exceed 130% of the area median for Nassau / Suffolk Counties (AMI) as determined by the U.S. Department of Housing and Urban Development (HUD).

The maximum permitted total annual **household** income for purchasers in the Program shall not exceed 130% of the AMI as follows:

3	\$145,100	7	\$199,900
4	\$161,200	8	\$212,800

Income limits may be adjusted annually based on the HUD established Nassau/Suffolk median household income.

¹ Includes all income – overtime, bonuses, pensions, social security, 401K distributions, tips, etc. Total household income minus allowable exclusions cannot exceed the maximum annual income listed above for your household size. The Long Island Housing Partnership (LIHP) must project the income that will be received for the upcoming 12-month period. Tax returns will be required for all household members whose earnings will be used as part of the income qualification. Any person whose earnings will be used to qualify for the program will be required to sign a ‘4506’ tax release form to verify their tax returns with the Internal Revenue Service.

b) Credit History Standards

The following credit history standards will be analyzed in conjunction with income limits to determine program eligibility:

- Applicants must have an overall good pattern of credit behavior including a history of timely payments for rent, automobile and installment loans, credit cards and revolving loans as described below. If a good payment pattern has been maintained, isolated cases of slow/late payments may not disqualify an applicant for program eligibility.

LONG ISLAND HOUSING PARTNERSHIP, INC.

- The credit standards listed above are to determine program eligibility and do not represent a mortgage approval. The applicant is responsible for securing a mortgage approval through a responsible lending institution.

c) Home Buyer Contribution

Applicants, at time that the application is submitted to LIHP, must have a minimum of 3% of the subsidized sales price in savings and/or checking accounts (not a gift) or verifiable liquid assets from their own funds to apply towards the down payment. At a minimum, the applicant should have 5-10% of the sales price for down payment and closing costs.

d) Citizenship

Each person who will be residing in the home must be a U.S. Citizen or a Qualified Resident Alien. For the purposes of this program, a qualified resident alien is an alien who is lawfully admitted to the United States for permanent residence under the Immigration and Nationality Act.

III. Gift Letter

LIHP will allow a gift letter from an immediate family member stating that money provided is in the form of a gift and will not have to be repaid. This letter must be signed, notarized and submitted with the application. This gift contribution **cannot** be used towards meeting the required minimum 3% home buyer down payment contribution.

IV. First-Time Homebuyer Requirement

This program is limited to first-time homebuyers only as described below:

- A household that has not owned a home during the three-year period immediately prior to the date of application for assistance is considered a first-time homebuyer.

LONG ISLAND HOUSING PARTNERSHIP, INC.

IX. Pre-Purchase Mortgage Counseling

Eligible applicants are required to attend homebuyer pre-purchase mortgage counseling. Certified counselors through the Long Island Housing Partnership will conduct the counseling. There is no charge for the counseling.

X. Mortgage Ability

Applicants must have adequate resources and credit to qualify for a home mortgage. LIHP can assist qualified applicants in securing a mortgage. However, it is the sole responsibility of the applicant to secure a mortgage. Applicants must submit to LIHP all standard documentation required for mortgage processing, including signed copies of the last three years of their Federal Income Tax Returns, W-2 forms, 1099 statements, four (4) most recent consecutive pay stubs, two (2) most recent, consecutive months bank statements (all pages) and investment accounts showing assets needed for down payment and closing costs. This documentation is required for all household members age 18 and over. Applicants should also have a good credit record and stable earnings history.

LONG ISLAND HOUSING PARTNERSHIP, INC.

LIHP will conduct a mortgage ability analysis to assess an applicant's ability to obtain a mortgage and to sustain homeownership. Factors to be considered in this analysis include income, employment, down payment, credit history and adherence to program guidelines.

All loans to finance the purchase of the home will be reviewed to ensure that they meet program guidelines.

XI. Affordability

To purchase the home, applicants must have:

- a) Sufficient income to pay the monthly mortgage payment, including loan principal, interest, property taxes, and insurance premiums. Applicants must also have sufficient funds for a down payment and closing costs estimated at 5-10% of the sales price; and
- b) The ratio of total monthly housing cost i.e. mortgage payments, property taxes, insurance premiums plus other debt (e.g. credit cards, car payments, school loans, etc.) to monthly household income may not exceed 45%.

Affordability will vary depending on income, sales price, insurance requirements, interest rates, property taxes, and buyer down payment.

XII. Asset Limitation Policy

After deducting down payment and estimated closing costs, any household with net liquid assets more than 25% of the unsubsidized sales price, will be referred to the specific program's committee. The committee will examine the applicant's full economic situation and other possible extenuating circumstances to determine if they would be able to purchase a home without the assistance. If it is determined that because of their assets, a household would be able to purchase a home without the assistance and if no relevant extenuating circumstances exist, the household will be deemed ineligible for the Long Island Housing Partnership program to which it applied.

XIII. Restrictions

Mortgages must be with a recognized lending institution. The following types of mortgages are **not** permitted:

1. Private mortgages;
2. "No Doc" Loans, 100% financing, and 80/20 loans;
