LIHP must project the income that will be received for the upcoming 12-month period. Tax returns will be required for all household members whose earnings will be used as part of the income qualification.

Asset Limitation Policy

The mission of LIHP is to provide affordable housing opportunities to those who, through the ordinary, unaided operation of the marketplace, would be unable to secure decent and safe homes. Therefore, there is an established limit on the amount of assets a household may have to be eligible for this program. After deducting the purchaser's cash investment and estimated closing costs, **any household with net liquid assets of more than 25% of the unsubsidized purchase price will be deemed ineligible for this program.** Equity in real property IS INCLUDED in the asset calculation. After deducting down payment and estimated closing costs, any household with net liquid assets more than 25% of the unsubsidized sales price, will be referred to the specific program's committee. The committee will examine the applicant's full economic situation and other possible extenuating circumstances to determine if they would be able to purchase a home without the assistance. If it is determined that because of their assets, a household would be able to purchase a home without the assistance and if no relevant extenuating circumstances exist, the household will be deemed ineligible for the program.

First Time Home Buyer Requirement

This program is limited to first-time homebuyers only as described below:

- A household that has not owned a home during the three-year period immediately prior to the date of application for assistance is considered to be a first-time homebuyer.
- Applicants may own vacant land or a vacation timeshare provided that they have not received the benefits of the mortgage interest deduction and/or property tax deduction during the prior three years from date of application for assistance.
- Applicants who do not hold title to a home but did receive the benefits of the mortgage interest deduction and/or property tax deduction during the prior three years from date of application are not considered first-time homebuyers.
- Please contact LIHP with any questions regarding this requirement.

At a minimum, the applicant should expect to need sufficient funds of 5-10% of the sales price for down payment and closing costs.

Gift Letter

LIHP will allow a gift letter from an immediate family member stating that the money provided is in the form of a gift and will not have to be repaid. This letter must be signed, notarized and submitted with the Application. required to certify to the Developer on an annual basis that they are occupying the home as their principal residence.

Affordability/Re-Sale & Recapture Restrictions

There will be restrictions placed on the home in order to maintain affordability upon future home re-sales pursuant to the Resale Restrictions attached hereto as Exhibit A. These Resale Restrictions will be documented and recorded against the home. If Nassau County or New York State funds are utilized, the buyer will be required to execute such documentation as Nassau County and New York State may require which may include a Note and Mortgage and/or Covenants & Restrictions restricting the use of the property and the resale price and subjecting the funds to recapture if the program requirements are not met. Such restrictions will be recorded as a lien against the property.

Citizenship

Each person who will be residing in the home must be a U.S. Citizen or a Qualified Resident Alien. For the purposes of this program, a qualified resident alien is an alien who is lawfully admitted to the United States for permanent residence under the Immigration and Nationality Act.

Pre-Purchase Home Ownership Counseling

Eligible applicants are required to attend homebuyer pre-purchase home ownership counseling with LIHP. Certified counselors through LIHP will conduct the counseling. There is no charge for the counseling. **Please do not make an appointment for counseling until you receive a formal letter from LIHP that you are eligible for the program.**

Mortgage Ability

Applicants must have adequate resources and credit to qualify for a home mortgage, if applicable. LIHP can assist qualified applicants in securing a mortgage. However, it is the sole responsibility of the applicant to secure a mortgage. Applicants must submit to LIHP all standard documentation required for mortgage processing, including signed copies of the last three years of their Federal Income Tax Returns, W-2 forms, 1099 statements, four (4) most recent consecutive pay stubs, two (2) most recent, consecutive months bank statements (all pages) and investment accounts showing assets needed for down payment and closing costs.

This documentation is required for all household members age 18 and over. Applicants should also have a good credit record and stable earnings history. LIHP will conduct a mortgage ability analysis to assess an applicant's ability to obtain a mortgage and to sustain homeownership. Factors to be considered in this analysis include income, employment, down payment, credit history and adherence to Program Guidelines. - Applicants must have an overall good pattern of credit behavior including a history of timely payments for rent, automobile and installment loans, credit cards and revolving loans as described below. If a good payment pattern has been maintained, isolated cases of slow/late payments may not disqualify an applicant for program eligibility.
 - Applicant must not have been late on rental payments in the last 12 months.
 - Payments on automobiles and installment loans should reflect no late payments in recent 24 months.
 - Payments on revolving loans or credit cards should not have any late payments in recent 24 months.

To be considered for the Program, applicants must submit an **Application**, together with all required documentation, **and a \$25.00 non-refundable application fee**, by the deadline. Upon payment, the applicant will be sent an email confirming payment and a receipt.

REVIEW PROCESS

As an applicant’s name is reached on the waitlist, LIHP will review the file to determine if all required documentation was submitted. If not, then LIHP will send notice to the applicant, by email indicating what documentation is missing with a link for the missing documents to be upload to. The missing documentation must be received by LIHP by the date shown on the email notification (10 calendar days). If the documentation is not received within such 10-day period, the applicant will be deemed ineligible, with a right of appeal.

Documentation shall be deemed received by LIHP on the date of successful transmission and receipt by LIHP.

If all documentation is received within the timeframe, LIHP will then conduct an eligibility review to determine if the applicant meets all Program Guidelines. A letter from LIHP detailing eligibility will be sent to the applicant after a full review of the **Application** has been completed. An applicant who is determined to be eligible will be offered the home to purchase. The applicant must, subsequently, begin the home buying process with the Developer.
